YOUR LEGACY FOR LIFE

A legacy gift is a perfect method to leave behind a significant legacy that will benefit others long after you are gone. The gift you provide to the Newfoundland and Labrador Lung Association will make life and breathing easier for thousands of adults and children in our province for many years.

FOR MORE INFORMATION

If you would like more information on our “Legacy for Life” Gift Program, or if you would like to talk to someone from our Association about how you can leave your own legacy, please fill out and send in the attached form, or contact our office.

YOUR LEGACY—A BREATH OF LIFE

A LEGACY FOR LIFE

Imagine yourself in your yard playing with your grandchildren. They are screaming and laughing “catch me, catch me.” Many children, and grandparents can’t play together because either the child has asthma, or the adult has COPD. The Lung Association gives these families an opportunity to play together. Our programs make life easier for children with asthma and adults with COPD. But we need **your** support to bring these families together and give them a chance to play again.

All of us are familiar with most conventional methods of giving, such as door-to-door or mail-in donations. But many of us wish we could do more for our community. A legacy gift is an easy way for you to do more.

WHAT IS A LEGACY GIFT?

A legacy gift is a planned donation that you make to a charity to ensure its programs continue, even after you have passed on. It’s deciding in advance what you want to happen to your estate. A planned gift to the Lung Association will ensure we can help children and families breath a little easier .

Here are a few ways to ensure your legacy:

BEQUEST IN YOUR WILL

Simply name the Newfoundland and Labrador Lung Association as a beneficiary

LIFE INSURANCE

You may donate an existing policy or start a new policy in any amount you choose.

SOME OTHER EXAMPLES.

- Gift Annuities
- Gifts of Property
- Gifts of Retirement Plan Assets

Please consider the Newfoundland and Labrador Lung Association when deciding on your own legacy.

*** Your gift may also provide tax benefits. For detailed information about each of the above options please contact the NL Lung Association or your Financial Advisor.*

Yes, I’d like to take the first step towards leaving a
LEGACY FOR LIFE
